

Abigail Sammons
 Principal For The Day!

Student Abigail Sammons served as the Principal last Friday. This was made possible by being the highest bidder on the "Principal For The Day" certificate at our annual auction. She stated she enjoyed the day and she felt the job was easy. The thing she liked most was checking the classrooms.

Principal's Pen

I am so excited that I am writing about a victory for our boy's basketball team. They played their first game of the season this past Saturday, and they pulled out at 40 to 35 victory. This is the first victory they have had in these first three years of the team, I am really proud of how much they have improved. It is great to see the team come together under Coach Summers and Coach Beavers. I am looking forward to watching their next game tomorrow at Noon. I encourage everyone to come out and cheer them on as their season continues.

This week in chapel we had Pastor Paul Bickel from Calvary Assembly of God speak about love. It was a very good message that was precluded by a great time of worship. The offertory was a song played by Brady Warner on the piano, and the middle school played a song as well. I love our Tuesday chapel times as we get the opportunity to worship together as a school in a corporate setting. Next week we will be having a play during chapel, with the performers being the fourth and fifth grade class. I know that this will be a blessing to the school as they minister to the students with drama.

In closing there are a few reminders that I would like to give everyone. During the morning drop off of your children, if you could please adhere to the no parking policy it would be greatly appreciated. I'd also like to remind you that we are in the middle of Servant-a-Thon and preparing for our auction. Please be a part of these two events as they are very important to moving the school towards the future. If you have any questions of how you can help or be a part of either of these events please let me know. I pray that everyone has a great weekend, and we will see you back on Tuesday.

Big blessings!!! Pastor Josh
