Educational Philosophy

The following statement conveys what we believe education to be:

Since humankind's chief and highest end is to glorify God, the highest possible achievement for any child is to understand and obey God's plan and purpose. The Bible, the inerrant Word of God, directs parents to prepare their children to live godly lives. We believe that school is an institution that provides assistance to parents in fulfilling this responsibility, thereby supplementing and complementing the training that the child receives at home.

We believe that home, school, church and other aspects of a child's experience educate the whole child in his preparation for adulthood. Since a child cannot be separated into isolated components, his school experience must address each of the interrelated components in educating a child. These components include:

- Spiritual - A child's relationship with the personal triune God of the Bible, the understanding of the nature of God, and an understanding of the spiritual nature of this world and humankind.
- Intellectual - The God-given attributes of a child that enable children to master foundational academic tasks (e.g., reading, mathematics, spelling, language, writing, etc.).
- Social - Interaction with others, both adults and children, in groups and on an individual level.
- Emotional - The part of the child that identifies, understands, and deals with his emotional state and self-esteem.
- Physical - Mastering gross motor and fine motor skills in the framework of the child's ever changing body.

Therefore, each student not only has individual strengths and weaknesses, but also exhibits change and growth in each of the above areas. This type of focus allows the staff to view each student as an individual with different likes and dislikes, different needs and levels of growth in order to maximize their gifts and strengths. This also provides a way to augment each student's experience at school.

We desire the Lord's guidance for all that will be done to fulfill our responsibility to educate children. We acknowledge that God has planned individually for each child and that His plan has allowed adults, parents, and teachers the privilege of serving Him in the raising of children.

Galesburg Christian School is dedicated to giving students a strong academic education in the context of a Christian world-view. In addition to a strong academic background, GCS offers courses and activities to develop a strong Christian world-view that prepares students to live in a non-Christian world. Other courses and activities are offered to strengthen the basic skills needed later in life.

Outlined below is the program of study offered at GCS:

- Bible (Old and New Testament; key Bible themes; scripture memorization:
- English (emphasizing literature, spelling, vocabulary, grammar, speaking and writing skills)
- History and Social Studies (World History, American History)
- Mathematics
- Science
- Art, Music, Computer and other elective type courses

Faith Statement

- We believe the Bible is the only written Word of God. It is inspired by Him and is wholly trustworthy and authoritative (2 Timothy 3:15-16).
- We believe in one God, eternally manifested and existent as Father, Son, and Holy Spirit (Matthew 28:19, John 10:30, 16:13-15).
- We believe in the deity of our Lord Jesus Christ (John 1:1,14), in His virgin birth (Isaiah 7:14, Luke 1:34-35), in His miracles (John 2:11, Acts 10:38), in His atoning death (1 Corinthians 15:3, Hebrews 2:9; 10:10, 14), in His bodily resurrection (1 Corinthians 15:4, John 2:21-22, Luke 24:6), in His ascension to the right hand of the Father (Acts 1:9, Ephesians 1:20, Colossians 3:1), and in His personal future return to the earth in power and glory (Mark 13:26, Matthew 16:27).
- We believe in the necessity of salvation through regeneration by the Holy Spirit because of man's sinful nature inherited from Adam. We believe that man is justified only through God's grace by personal repentance and faith in Jesus Christ and his shed blood (John 3:16-19, Romans 3:23-24; 5:8-9, Ephesians 2:8-10, Titus 3:5).
- We believe in the resurrection of all persons - those who are saved unto the resurrection of life, and those who are lost unto the resurrection of damnation (John 5:28-29).
- We believe in the spiritual unity of the believer in our Lord Jesus Christ (Romans 8:9, 1 Corinthians 12:12-13, Galatians 3:26-28).
- We believe in the indwelling of the Holy Spirit by whom the believer receives sanctification and the power to live a godly life (Romans 8:13-14, I Corinthians 3:16, 6:19-20, Ephesians 4:30, 5:18).

History of Galesburg Christian School Association

In early spring of 1996, two moms felt impressed by the Lord of the need for a Christian School in Galesburg, owned and administered by parents. As they prayed, the seed that the Lord had planted began to grow. They spoke with other Christian parents and soon a nucleus of seven couples, committed to the Lord and to each other, began this new ministry. Eventually this group of parents became the first School Board of Galesburg Christian School.

A public meeting was held, attended by almost 100 people, to learn about the concept of the school. After that meeting, with the confidence of broad support, the work began in earnest – it was late April. Immediately priorities were set: teachers, students, curriculum and premises. The Lord in His infinite wisdom had brought together fourteen people with all the many gifts necessary to build a school and all of them worked ... and worked. They discussed all aspects of Christianity, education, finances, personnel and premises. They looked to the State of Illinois, the Association of Christian Schools International, other Christian schools, and local churches for information and guidance. The new school, unlike most new Christian schools, would serve Kindergarten through twelfth grade. It would be evangelical and provide a safe environment of academic excellence bathed in the Word of God. Named Galesburg Christian School Association, Inc., the school would be parent-run, not-for-profit and non-denominational. It would seek to address the needs of students spiritually, academically, physically, and socially.

God opened and closed all the right doors. A building was found, teachers came forward, textbooks were purchased and parents became excited. The priorities were met, the foundation was laid, and God blessed the efforts. On August 25, 1996 the doors opened at Galesburg Christian School with 120 students and a staff of 20. And by the grace of God, that was just the beginning.

Non Discrimination Policy

Galesburg Christian School admits students of any sex, race, color, nationality and ethnic origin granting to all the rights, privileges, programs and activities generally accorded or made available to GCS students. The school does not discriminate on the basis of sex, race, color, national or ethnic origin, in the administration of its educational policies, admissions procedures, scholarship programs, athletic, and other school-administered programs.

The school does, however, reserve the right to deny admission to any individual who cannot benefit by the experience based on past academic achievement or whose personal life style is not in harmony with the stated philosophy and purpose of Galesburg Christian School.

Purpose and Mission Statement

The aim of the Association is to maintain a school whose purpose is to train students-spiritually, mentally and physically — in an environment of educational excellence that will preserve and promote the standards and the faith taught in a Christ-centered home. Our goal is to prepare these students to take their places in the home, the church, the community and their vocation or professions in a manner that the student may grow in grace in the knowledge of God through our Lord and Savior Jesus Christ.

The integrating factor, therefore, in this Association and the school it sponsors is the Living Word, Jesus Christ, "Who is the same yesterday, today, and forever" (Hebrews 13:8). The school, in its policies and curriculum, is built on Christ the Cornerstone. The Christ

proclaimed in the inspired Scriptures is the Redeemer and Renewer of our entire life. Paul applies this comprehensive principle to education when he writes of the Lord, "In Him are hidden all the treasures of wisdom and knowledge" (Colossians 2:3, 1:17, John 1:3). Consequently in this Christian school, the teaching of the Christian faith from God's Word is not just a separate subject in the curriculum, but the all-pervading force in the total education program.

The school is an extension of the home. We believe parents have the God-given command to teach their children the fear of God (Deuteronomy 6:4-9). Children of a Christian home are a heritage of the Lord (Psalm 127:3), and must be brought up in the admonition of the Lord (Proverbs 22:6).

Other translations may be used with prior approval from the Principal.

Recess/Physical Education

Outside play is important. Be sure your child is prepared with appropriate clothing to go outside. We will play indoors only on extremely cold days (below 20° F including wind chill) and during rain. If a student is to remain indoors, a dated note of explanation from the parents must be presented to the teacher. A note from the attending physician must be provided for extended periods of non-participation.

School Safety/Visitors

GCS feels the safety of our students is the responsibility of each staff member. For the safety of our students, the following guidelines have been established:

- Visitors are always welcome at GCS. Upon entering the building, all visitors should report directly to the school office, this includes parents and other adults.

- All exterior doors, except one front door are locked during the school day.
- Permission for a visiting student must be secured in writing from the administration in advance. All student visitors are expected to wear clothing that complies with the school's dress code.
- Only persons listed on our form as authorized to pick up your child will be permitted to take him/her from school, unless a signed, dated note from the parent is provided. Changes to the authorized pick up form may be made at any time in the school office.

The appearance and care of GCS is part of our testimony. Students are expected to help take good care of the facilities and property. Students are expected to pay for or perform service towards any damages for which they are responsible.

State Recognition/ACSI Membership

GCS has attained recognition by the Illinois State Board of Education and is a member of the Association of Christian Schools International.

Academics

General Information

The Bible is recognized at GCS as fundamentally important to the study of English, history, geography, and science. Without knowledge of Biblical truth a student cannot be considered educated. The Bible gives direction for this life, and the only hope for eternal life.

Grading

99-100 A+	87-90 B	75-77 C-	Below 64 F
95-98 A	85-86 B-	71-74 D+	I=Incomplete
93-94 A-	83-84 C+	67-70 D	
91-92 B+	78-82 C	64-66 D-	

- GCS uses a 4 point grading system: A = 4, B = 3, C = 2, D = 1, F = 0

Incomplete Grades: A quarter grade of I (incomplete) can be given when a student has not completed the work for a grading period because of extreme circumstances. The teacher may then extend additional time for the student to complete the work. Grades of incomplete must be made up within ten days after the grading period ends.

Homework

Students are responsible for completing assignments given each day by their teachers. Homework is an important factor in determining the student's final grade. If a student has difficulty in completing homework, the teacher should be notified immediately so steps can be taken to assist the student's progress. A guideline for age appropriate amounts of homework is given below; please notify your child's teacher if your student is consistently having much more or less than this recommended amount.

Grades 1-2 ~ 10-20 minutes	Grades 3-4 ~ 20-40 minutes
Grades 5-6 ~ 40-60 minutes	Grades 7-8 ~ 50-90 minutes

It is GCS's policy that no homework is assigned on Wednesday with the exception of limited reading assignments. Homework, quizzes or tests due or held on Thursday will be assigned

to students by Monday. No homework will be given over Thanksgiving, Christmas or Easter breaks, unless it is an extended assignment given well in advance or for extra credit.

Honor Roll

Honor Roll recognition for middle school students will be given at the end of each quarter as follows:

High honors – GPA 3.55-4.0 or all A's and/or no more than 1 B

Honors – GPA 3.00-3.54 and no grade below B

IEP's

GCS will work with Knox-Warren Special Education District to create an Individualized Educational Plan for students with special needs. Teachers will then work to follow the IEP most appropriate for the student within our building resources.

Progress Reports/Report Cards

Progress reports will be sent home periodically throughout the quarter for all 1st -8th grade students. These reports should be signed and returned within two days.

Report cards are sent for all students at the end of each nine-week period. At the end of each of the first three quarters report cards should be signed and returned within two days.

Retention Policy

A student's retention in his/her grade will be based on academic, social, and emotional factors. It is important that you discuss your child's particular need with his teacher.

Teachers will notify a parent as soon as possible if there is a possibility of retention for your child.

Testing

The Stanford Achievement Test (SAT) may be administered to students. Its purpose is to enable the school to make individual as well as school wide improvements in curriculum and standards.

Attendance

Absence Policy

Regular classroom attendance is essential for achieving and maintaining a good academic record. Since there is no substitute for vital classroom discussion and instruction, GCS requires consistent student attendance.

Legitimate reasons for absences include sickness, death of a loved one, doctor or dental appointments, and emergencies. Other reasons may be excused or unexcused at the discretion of the administration.

Any student missing 2-3 clock hours will be given a ½ day absence. Any students missing more than 3 clock hours or more will result in a full day absence.

Students missing twenty days or more in a year will be in jeopardy of grade retention. Parents will be notified if a student accumulates an excessive amount of absences.

Assignments for homework should be arranged ahead of time for planned absences. Parents should make every effort to not take extended (week or more) family vacations while school is in session.

Before/After School Care

Students should not arrive at school before 8 AM and not remain after 3:15 PM. Before and after school programs are available to help working parents. Before school care is from 7 AM until 7:45 AM. Regular drop-off is from 7:45 AM until school begins. After school care runs from 3:15 PM until 6 PM. There is a fee for each of these programs. Please contact the school office as needed for more information. GCS will not be responsible for students left during unsupervised times.

Classroom Hours

4 and 5 year old Kindergarten 8:30 AM-2:45 PM
Elementary and Secondary 8:30 AM-3:00 PM

Reporting an Absence

Please call the school office by 9:00 AM if your child will be absent that day. We will call you if we don't receive this call. You must give a specific reason for the absence.

Signing In/Out

Students are not allowed to leave the school premises during the school day without permission from the office. If a student needs to leave school early for any reason the parent must write a note or call indicating time of departure, reason for dismissal, and who will pick up the student.

Parents or others picking up students during school hours must come to the office to sign them out when leaving and sign them in if returning during the same day. GCS will not release students without notification from parents.

Tardy Policy

Students who arrive at school after 8:30 AM must come to the office to sign in and get an admission slip before going to class. In middle school, frequent tardies may result in a detention.

Discipline

General Information

GCS believes each child deserves the opportunity to learn in a secure, Christ-centered environment. Your child is special because God created him/her and has a unique plan for his/her life. This discipline plan includes respect for God and man that flows from an obedient heart. Discipline based on Biblical principles pleases the Lord and includes structure, order and consistency.

Those in authority at GCS seek to address the cause as well as the symptoms of behavior for each individual child and thereby choose an appropriate plan of action for correction, not only of the negative behavior, but for the attitude of the heart.

GCS also expects all parents and guardians to have active, constructive and supportive involvement in the overall interaction between the home and the school.

The school's discipline system is designed to motivate and encourage each student to attain spiritual growth, proper responsibility and appropriate behavior. A student needs to assume responsibility for his/her own actions and words.

"HOW I ACT"

Students will be following a "HOW I ACT" system to assist them in working to change negative behavior into positive. A conduct report will go home with your child each Friday and is to be signed by you and returned on Monday mornings. You will note a space on the conduct report for your comments. Blessing marks will be given for consistent obedience and special acts of kindness throughout each day of the week. There may be age appropriate variations in the following:

H = Havoc (Creating a disturbance, bothering others)

O = Out of Order (Not following directions, yelling, dress code violations)

W = Work Not Turned In

I = Intentional Disobedience (Fighting, cheating, lying, defiance)

A = Attitude Lacking (Disrespect towards adults or other children)

C = Courtesy Lacking (Not showing politeness and sensitivity)

T = Talking (Talking out of turn)

Minor Offenses/Detention:

Teachers will handle classroom discipline within their guidelines and expectations of the "HOW I ACT" system, including the use of detentions when necessary. However, an office referral may be necessary if an action is severe, or if a misbehavior is repeated. Some examples of these incidents include but are not limited to disruptive behavior, lack of courtesy or respect for students, property, or staff.

Severe or deliberate actions:

Some actions absolutely will not be tolerated at GCS. These include, but are not limited to: cheating, lying, dishonesty, stealing, vandalizing, disrespect to staff, fighting, endangering or bullying others, cursing, or a lack of remorse for any inappropriate behavior. (Exodus 20:16, Colossians 3:1-5, Ephesians 5:3-10, Colossians 4:6, Ephesians 4:29,5:4, Matthew 5:33-37, Ephesians 4:25, Colossians 3:9).

God calls us to be set apart and different, to act with character and integrity. Integrity is who you are when no one is looking (2Tim. 2:15).

Suspension/Expulsions

If misbehavior is repeated, or if an action is deliberate or severe, the administrator may take the following actions: counseling the student, parent contact, in school suspension, and in cases that are severe or prolonged, the student may be suspended and placed on probation.

1. In school suspension will be a day of working in the office, or other designated area, separated from the other students. All work will be completed, in addition to another possible Bible assignment relating to the infraction.
2. Probation is a period when the student's behavior will be closely monitored. During this period, incidents can result in out of school suspension, or in more severe cases expulsion or disenrollment of the student. Probation must last for a minimum of 30 days, and may be extended if sufficient progress is not made by the end of the period.
3. Any decision on expulsion or disenrollment may be appealed to the school board. In such cases, the decision of the School Board is final. Any expelled or disenrolled student may re-apply for admission in the following year, but must document and exhibit improvement in all areas of concern.

Dress Code

In striving to maintain an atmosphere that promotes respect for the important academic activities at GCS, our dress code is designed to provide for the safety, comfort, and modesty of our students. The administrator will have final say regarding the appropriateness of a student's attire. The school board has established the following guidelines.
